Connections Across Generations: Praxis in Addressing Gender-Based Violence
Office of Sexual Assault Prevention & Response
Harvard Graduate School of Education
October 4, 2019

AGENDA

Description: This one-day conference will present an intersectional framework to gender-based violence prevention and intervention efforts. The conference structure provides ample time to build community connections, practice skills, and learn from panel-based and workshop discussions. Presenters consist of experts from throughout the United States and abroad, and all the content centers on intersectional frameworks of engaging in community building, prevention efforts, and intervention responses.
